

CHILD & ADOLESCENT IMMUNIZATION SCHEDULE 2012

Routinely recommended vaccines are provided to Montgomery County residents birth-18 years of age. There is a \$16 office visit fee and a \$12 per shot administration fee for state supplied vaccines. These fees are based on ability to pay. No eligible child will be turned away because they cannot afford to pay the fee. No money is collected at the site, fees will be billed. Persons with insurance may not be eligible for all vaccines. These vaccines will be made available to those with insurance at an additional cost.

**You must bring your child's shot record and insurance card to every visit.
Space is limited. Patients will be seen on a first-come, first-serve basis.**
