Did you know 29.1 million Americans have diabetes and 86 million have prediabetes?

Diabetes can be an overwhelming disease because it impacts so many areas of your daily life. It’s important to have support from family, friends and others with diabetes. Don’t underestimate the importance of a good support group.

The Support Group meets the second Tuesday of each month from 11:00 am until 1:00 pm.

Call 225-4189 to get started, or visit us at www.phdmc.org.
