

THANKSGIVING COVID-19 SAFETY RECOMMENDATIONS

Public Health recommends that you do not host or attend Thanksgiving gatherings.

Please consider the following low risk activities:

Having a small dinner with only people who live in your household

Preparing traditional family recipes for family and neighbors, especially those at higher risk of severe illness from COVID-19, and delivering them in a way that doesn't involve contact with others

Having a virtual dinner and sharing recipes with friends and family

Shopping online rather than in person on the day after Thanksgiving or the next Monday

Watching sports events, parades, and movies from home
