### For Immediate Release

## Public Health Vaccinating Phase 1A Montgomery County Groups Vaccinations for the General Public Are Not Available at This Time

[Wednesday, January 6, 2021] Public Health - Dayton & Montgomery County is continuing its COVID-19 Vaccination Program for those individuals who are in [Phase 1A](#) as determined by the Ohio Department of Health. Phase 1A population groups are defined as healthcare providers and long-term care facility staff and residents.

Public Health is providing COVID-19 vaccine to the following Phase 1A\* groups:

- EMS responders
- Federally Qualified Health Centers staff
- Primary Care practitioners not affiliated with hospitals
- Urgent Care Centers staff
- School Nurses
- Dental providers
- Dialysis Centers
- home health care staff
- Individuals with developmental disabilities and those with mental health/substance use disorders who live in group homes and residential facilities and staff at those centers

\* You must show work ID or other documentation to show proof of inclusion in Phase 1A.

Public Health is contacting in advance, Phase 1A groups. **Public Health is not providing vaccination to hospital workers or those who live or work in nursing homes and assisted-living facilities.** Those vaccinations are being provided by hospital systems and by local pharmacies.

***This round of vaccination is not open to the general public.***

**Public Health is only vaccinating Phase 1A individuals who live or work in Montgomery County.** If you live or work outside of Montgomery County, you must contact your local health department for vaccination information in your area.

At this time, Public Health does not have any specific time when other Phases will begin and there is no waiting list or registration.

Public Health will notify the public when the next Phase begins through local news media, our social media platforms including Facebook, Twitter and Instagram @PublicHealthMDC and our website [www.phdmc.org](http://www.phdmc.org). Public Health asks for patience as we work through the Phase 1A priority groups.
