OPERATION OF LAWN CARE BUSINESSES DURING THE DIRECTOR’S STAY AT HOME ORDER

March 30, 2020

After consulting with Ohio Department of Health representatives, lawn care businesses may operate if they meet the criteria set forth below:

All lawn care businesses must abide by the physical distancing and disinfecting requirements as stated in the Ohio Department of Health Director’s Stay at Home Order.

Lawn care businesses may mow commercial and residential properties and may maintain or provide landscaping services of commercial properties however, should refrain from such landscaping services of residential properties which are considered non-essential such as for beautification purposes but may provide services for the safety and sanitation of those properties, for example insect control.

Public Health - Dayton & Montgomery County may randomly inspect the business practices of local lawn care companies to verify that they are meeting the requirements set forth in the Director’s Stay at Home Order.
