Minority Health**

Give Your Community A Boost! | April 2022

The Local Office on Minority Health Presents: **A VIRTUAL & INCLUSIVE HEALTH EDUCATION SERIES**

Join the Local Office on Minority Health for a virtual series providing education on how health and healthcare services/resources can be more inclusive to identities and communities with unique needs. The health series continues every Monday from 11am to 12pm via Zoom for Minority Health Month (April 2022).
